I. You're In - Welcome!

Congrats! Not just for finding your way here — but for saying yes to doing things your way. Whether it's new beginnings, bold ideas, or a space that's buzzing with life — you want to hold onto it as it felt, not just how it looked. I get that. And I've got you!

This guide walks you through how it all works. Take your time, and if it feels like the right fit — let's talk

2. About Me

Hi, I'm Sof!

I've never been good at sitting still. I've lived across continents, backpacked around Australia with a camera in hand, and somewhere between sunsets in Cape Verde and the laneways of Melbourne, I realised the moments that stick with us aren't always the big ones. They're the *in-betweens*

2. About Me

I started out photographing landscapes and gradually found my way to food, people, and places

*These days, I work across three lanes: **people**, **makers**, and **travel** — all driven by a simple focus to make a moment feel like a story*

*My approach is simple. **No big productions**. Just **honest moments**, and the kind of **connection** that makes you forget there's a camera at all*

3. The Experience

EVERY SHOOT IS DIFFERENT - AND THAT'S HOW IT SHOULD BE!

With People, it's about slowing down and noticing the details. The way your kid grabs your hand, the pause before a laugh, the quiet look that says more than words

With Travel, I'm there to translate the feeling of a place. What it smells like, sounds like, feels like underfoot. The story of the landscape and the people who live in it

With Makers, it's all about the mood — the heat of the kitchen, the buzz of a crowd, the craft behind the chaos. Loud, messy, joyful. Real moments, beautifully captured

3. The Experience

HOWEVER WE WORK
TOGETHER, YOU CAN EXPECT
CALM DIRECTION WHEN YOU
NEED IT, AND SPACE TO JUST
BE WHEN YOU DON'T

8. FAQs

1

WHERE ARE YOU BASED?

Melbourne, but I travel often — just ask

HOW MANY IMAGES WILL I RECEIVE?

Depends on your final package selection.

You'll choose after the shoot — once you're sure how many images you love

2

3

CAN I RESCHEDULE IF SOMETHING COMES UP?

Need to reschedule? Life happens — and I get it. Rescheduling is free with at least 7 days' notice. Anything under that is treated as a cancellation and may forfeit the retainer fee

WHAT IF THE WEATHER IS BAD?

We work with it — or reschedule. Cloudy skies are magic.

Pouring rain? We pivot
